Hello Students!

The second meeting for the Women and Minority Voices in STEM club will take place on **Tuesday, October 4<sup>th</sup> from 6-7 pm in Keck 101** (we'll spread out if we need to)! We will be hosting a de-stressor and community-building event as requested! You are welcome to bring your dinner as we spend an evening full of conversation, journaling, and coloring. Basic supplies will be provided, but please feel free to bring your favorite coloring books, markers, journals, etc.

Everyone is welcome to join us, even non-STEM majors! We look forward to seeing you all and meeting new friends!
