### MAJOR

### ADVISING MEETING

Wednesday, October 12, 2022

5:00 PM via zoom

If you are a Claremont McKenna, Pitzer or Scripps College student who would like to major neuroscience or are a current major but are wondering which courses to take in order to fulfill the requirements of the major then this meeting is for you. In this meeting we will go over the basic requirements of the neuroscience major including core courses and course options, and possible course selections for students interested in cognitive neuroscience, behavioral neuroscience, cellular-molecular neuroscience, motor control, neuropharmacology, neurophilosophy or computational neuroscience. We will also go over the general requirements for the senior thesis in neuroscience, how to choose a thesis reader, finding an advisor etc. All are welcome to attend.
