Hello CMC Students!

I hope you are doing well, I wanted to reach out on behalf of the Southwest Asian North African Alliance (SWANAA) and introduce ourselves and send out our interest form!

For those of you who have not met us or heard about SWANAA, we are an affinity group for all students who come from Southwest Asian or North African descent and cultural background. If you identify as Arab, Iranian, Persian, Kurdish, Turkish, Armenian, North African, or other Middle-Eastern/SWANA identities then [please sign up with us so that we can make sure you get onto our email list and that we can ensure that you are able to make our meeting times.](#)

We are currently in the works of finding a meeting time that works for all of our members and would appreciate it if everyone fills out this form by Sunday, October 23rd so that we can begin meetings the following week. For those that are not familiar with what we do during our meetings and what we do as an organization, we celebrate SWANA culture as a community, chat about issues facing our members, share in our collective experiences at the 5C and Pitzer, and most importantly enjoy the food and culture that unite our people. If you have any questions please feel free to reach out to me or the rest of SWANAA Leadership.
