### Hoot, Hoot! "Night Owls" Returns to the Library

Starting May 4 and lasting through finals week, The Claremont Colleges Library will host its annual Night Owls program. During this time, the Library supports and welcomes students by hosting stress-busting programming, beverage and food breaks, and study and research resources. We'll then kick it up a notch on Sunday, May 8, with [pizza night](#) at the start of 24/7 hours. Join us!

Whether you need to study or relax — or you just want a chance to win prizes 😊 — we'll be here for you with resources and events. Bookmark the [Night Owls guide](#) and follow us on [Facebook](#), [Instagram](#), and [Twitter](#) to keep up to date with all we have planned.

We look forward to seeing you at the Library!
