---

**From:** EVC Claremont

Hi all,

We hope you are having a great week! This Thursday 9/29 from 11:30-1:30 pm at CMC's Hub Breezeway Every Vote Counts Claremont will be hosting a voter registration drive. We are here to help you register to vote, make a voting plan or any other voting need you might have! The Midterms are coming up and we want to help you be vote ready! Now is the time to register and request a mail-in ballot if you have not. We recommend sending in your ballot at least 30 days in advance to ensure your vote is counted. Our drive this Thursday will be a one stop shop for all things voting and we can assist you with any part of the voting process. This will be a 5C event and all are welcome. If you plan to attend, we just ask you please bring your driver's licence and know your social security number (some states require both) as identification for forms. Please let us know if you have any questions or concerns, you can DM us @evc\_claremont or email us at [ClaremontEVC@gmail.com](mailto:ClaremontEVC@gmail.com). Hope to see you there, we will have donuts!

Best,  
Every Vote Counts Claremont

ARE YOU READY TO  
VOTE?
