Greetings CMC!

Attached is a flyer for an upcoming Saturday Salon by The Open Academy in collaboration with the Financial Economics Institute (FEI) on January 28th titled "Cryptocurrency and Digital Assets: Understanding the Rise of Web3 Economies and Decentralized Finance (DeFi)." There will be optional dinner afterwards. We will be joined by Nitin Gaur from IBM and Nishant Dass (CMC).

If you are interested, follow this link to register for the Salon: <https://forms.gle/cM6FuAy9rPyc3BzWA>
Spots are limited so we will allow students to register until capacity is met.

Please share this event with other students and feel free to ask me any questions about this event or OA programming more generally.
