**From:** Inform  
**Subject:** EM: Opportunity for 5C Student Photographers

---

**From:** Kendall Elizabeth Packman

Are you looking to expand your portfolio? Experiment with unique types of lighting? [Apply to photograph our dress techs!](#)

We can take up to six total photographers for each of our dress techs. Spots will be first-come, first-served. Students may reach out to [kendall.packman@pomona.edu](mailto:kendall.packman@pomona.edu) with any questions and should hear back by February 12th, the 18th, at the absolute latest.

We would love to receive copies of the student photographs for use on our social media (with credit to the photographer, of course!) and students are more than welcome to use photographs in their portfolios. Audio/video recordings are not permitted. Oh, and make sure you're following us on Instagram!\
