## **AUDITION for TWO short narrative films and theses by Jack Rosencrans and Shanthi Ashley**

**Both films follow the same four characters: Sitara, Alistair, Daniel and Lexi. See below for more detailed information on each project.**

### ***THE SUN ALSO SETS* (Directed by Jack Rosencrans)**

Genre: Romance/Drama

Logline: Two college seniors bond over the struggles in their own separate romantic relationships but when their connection with each other escalates, they must decide if they can stay friends.

#### **Open Roles for *The Sun Also Sets*:**

LEXI: Alistair's girlfriend (She/Her). Early 20's. Short, athletically built, friendly, smiley, and understanding.

### ***JADED* (Directed by Shanthi Ashley)**

Logline: Two high school sweethearts, at the tail end of their senior year of college, argue about whether their relationship is worth saving.

#### **Open Roles for *Jaded*:**

DANIEL: Sitara's boyfriend (He/Him). Early 20's. Charismatic-to-a-fault undergraduate male who is obsessively driven to become a professional musician.

**Note: The role will include intimacy choreography such as hugging, kissing, and theatricalized sexuality. A professional Intimacy Director will be a part of the production process.**

**AUDITIONS:** Auditions will be **Saturday Feb. 23rd, and Sunday Feb. 24th.**

***The Sun Also Sets* and *Jaded* auditions will happen concurrently.** They'll be a laid back chemistry read with one other reader. Audition sides will be sent prior to auditions so actors can familiarize themselves - but no need to be off book!

**Production** dates are TBD but will be during the last two weeks of March and first two weeks of April.
