The graphic is a promotional image for a workshop. It features a central circular inset showing a woman's face and a series of panels from a graphic novel. To the left, logos for Scripps College and the Hive are shown, along with text about the Scripps Deaf Faculty O'Brien Lecture funds. The main title 'ATELIER Crédit d'une histoire courte en BD' is displayed. Below the title, a call to action invites people to work with a Guadeloupean graphic novelist to create a graphic short story in French. The date and time (April 6, 2023, 4:30-6:30pm at The Hive) are listed, along with a note that materials, snacks, and refreshments are provided. A QR code for registration is included, with the text 'SCAN QR CODE TO REGISTER (LIMITED SPOTS)'. A yellow circle on the right says 'REGISTRATION REQUIRED'. The bottom right corner contains an email address: cgettier@scrippscollege.edu.
