### Blurb for 5C Film Festival:

Mark your calendars! The 5C Film Festival will take place on Sunday, April 23rd from 2pm - 6pm. Co-hosted by Studio 47 and 5x5 Films, the 5CFF is a chance for students to showcase their projects and get to know their fellow filmmakers, faculty, and alumni. We are now accepting submissions across three categories: Narrative, Documentary, and Experimental. Submissions are due by April 9th. We will be giving awards in each category for Best Film, Best Editing, and Best Cinematography. We look forward to seeing all your amazing work!

### Blurb for 5x5 Onset Workshop:

Want to direct, produce, or otherwise work on films, but not sure where to start? Hoping to PA in the future but don't have much on-set experience? Just interested in learning more about how "real" film sets run? If you answered "yes" to any of those, come to the first ever "5x5 On Set" this Sunday from 3pm to 6pm at Studio 47! We'll go next door to our Production Space and run a mock film set: using a preselected short script, participants will be able to rotate through or shadow the different roles on set: director, cinematographer, 1st assistant camera, script supervisor, gaffer, sound recordist, boom

op, PA, and more. You'll get to actually work hands-on with the equipment to light and shoot a short scene, with individual instruction from our experienced officer team. No experience necessary!

Email us at [5x5films.claremont@gmail.com](mailto:5x5films.claremont@gmail.com) if you have any questions. We hope to see you there!
