We are SO Excited to announce the **We.IMININT Musical FESTIVAL** in collaboration with The Hive. There will be a **FOOD TRUCK, incredible Student Artists, local vendors, and headliner Jordan Hawkins!**

All of this and more THIS FRIDAY, April 21st from 7-10 pm in [Estella Courtyard](#) (right behind the Hive).

The festival will feature an incredible lineup of student artists from songwriters to guitarists, and headliner **JORDAN HAWKINS** - a Pomona Alum with a big following [on Spotify](#) and a super unique sound we can't wait for you to hear. Read about him [here](#)!

We'd LOVE to see you simmer in the aromas of Bacon Nation, our event food truck, enjoy some audio *experiences*, and show some support to our **LOCAL VENDORS selling their handmade works** from clothing to artwork to pottery and on.

For important updates and more information, follow @We.IMININT on Instagram, and see you all there!
