THIS WEEK AT KECK SCIENCE

We'll be sending out a weekly email to all students at our colleges (CMC, Pitzer, and Scripps) with information about Events, News, and Opportunities at Keck Science Department all this term! We hope this increases access to opportunities and helps build community for students, faculty, and staff of the Keck Science Department.

All community members (including student organizations) are welcome to submit an item for this weekly email to our form: <https://forms.gle/KxWDCnPoUJMOTEN8>.

THIS WEEK'S EVENTS:

- **9/26: 5C Chemistry Seminar.** The 5C Chemistry Seminar speaker for this week will be Micaela Homer (HMC alum) from the University of Washington. This talk will be hosted by HMC, and will take place from 11am-12pm in Shanahan 3481. The title of her presentation is "Photoelectrochemistry: New ways to measure fundamental processes." Hope to see you there! For more information, please see <https://www.kecksci.claremont.edu/seminars/>

- **9/26: Next CCEMS Meeting!!** Join us for our next CCEMS meeting on Tuesday the 26th at 8pm in Walker Lounge! We always love seeing new faces, so if you have any interested in anything EMS related, come by and see what awesome things we have planned with year! For more information: claremontcollegesems@gmail.com

- **9/27: Neuroscience speaker series - Professor Adriana Galvan.** Dr. Adriana Galvan (Department of Psychology, UCLA) will give a seminar "The Adolescent Brain: Insights from Neuroscience." Wednesday September 27 @ 4pm on Zoom: <https://pitzer.zoom.us/j/89982648632?pwd=cHITdFVDblBwQ25Pa29IK3Q3bHk0UT09>. Contact Prof Tom Borowski to learn more about this event: thomas_borowski@pitzer.edu

THIS WEEK'S OPPORTUNITIES:

SICB Southwest Regional Meeting for Organismal Biologists. The SWOB meeting will be held at the Claremont Colleges on Saturday, November 4, 2023. This is an excellent opportunity for students to network and engage with the biology community, as well as to present their research. All undergraduate students are welcome to attend the conference. Students are free! For more information, please go here: <https://swob2023.wixsite.com/swob2023>. Questions? Please email Jenna Monroy at jmonroy@kecksci.claremont.edu

THIS WEEK'S NEWS:

Hayley Schultz (CMC '15) publishes research article in Open Heart. In this article, the researchers, led by Dr. Hayley Schultz (CMC '15), provide valuable information and guidance to doctors on how to help patients manage potential complications of congenital heart disease during pregnancy. After CMC, Dr. Schultz completed her M.D. at UCSF and is currently a resident in Ob/Gyn at UCSD. You can read the article here: <https://openheart.bmjjournals.org/content/openhrt/10/2/e002430.full.pdf>
