### **Opening Reception**

[Queer-ish: Photography and the LGBTQ+ Imaginary](#)

**Saturday, October 28, 2023, 5–7 pm**

**Free and open to the public**

Join us for food, drink, and a vinyl DJ set by dj diA (Radio Realness and Synthdactyl Program, KSPC) to celebrate the opening of *Queer-ish: Photography and the LGBTQ+ Imaginary*.

Curated by interdisciplinary artist and Scripps College Fletcher Jones Chair in Art Ken Gonzales-Day, *Queer-ish* showcases historic vernacular photographs—snapshots of everyday life and subjects—highlighting moments of same-sex affection alongside contemporary photographs by LGBTQ+ artists. These images

encourage viewers to consider the link between photography, representation, and LGBTQ+ communities, as well as the role of the photograph in shaping notions of queer identity.
