Have you heard of NPR's Tiny Desk?

If so, the Hive would like to invite you all to our **TINY PATIO CONCERT @ The Hive!**

Just like our last tiny desk, the Soundbox at the Hive is producing a similar event where artists/groups from the 5Cs will perform in an intimate, acoustic environment. There will be free snacks and drinks, chill music, and great vibes. **Next Friday, November 3rd at 7 pm**, we'll see you all **@ The Hive!**
