From: Davidson,

Dear Students,

I hope this email finds you well as you prepare for the final weeks of the semester. I am writing to announce a new program that will hopefully help those of you working on research papers (or about to start one).

Librarian Office Hours at the CWPD

We are delighted to announce that the Honnold Mudd Library staff is collaborating with us to offer Librarian Office Hours at the CWPD. **Students now have the opportunity to schedule in-person or online consultations with a Honnold Mudd librarian at the Center for Writing and Public Discourse. These sessions are available on Wednesdays between 3:30 PM and 5:00 PM for the remaining weeks of the Fall 2023 semester** (please note we do observe college schedule for closures).

Details/ How to make an appointment:

- Go to [cmc.mywconline](https://cmc.mywconline.com) (our standard appointment scheduler),
- make an account/login,
- select “Wednesday Research Librarian Hours” to see and register for available times.

Appointments are 30 minutes and designed to introduce or further support students in using the library’s web resources. The library will continue to offer longer appointments (up to an hour) at <https://library.claremont.edu/ask-us/>.

Warmly,

Dr. Davidson
