### Make a Community Quilt for World AIDS Day

**Thursday, November 30, 1-4 pm**  
**Holbein Room, Denison Library**

Contribute to a community work of art and commemorate World AIDS Day 2023 with Denison Library and the Ruth Chandler Williamson Gallery.

Drop by Denison Library to decorate a fabric square for the Queer Resource Center World AIDS Day Quilt. The Quilt will memorialize multiple pandemics that have affected LGBTQ+ people, including AIDS, Mpox, and COVID-19. Works of art from the Scripps College collections that reflect on the AIDS epidemic will be on view.

Co-sponsored by the Ruth Chandler Williamson Gallery, Denison Library, QRC, AARC, OBSA, CLSA, OEID, Benton Museum of Art, Feminist, Gender, and Sexuality Studies Department at Scripps College, Pitzer College Student Life, and HMC DSA
