Subject: EM: Open Academy Salon - What Does It Mean to be a Nation? (Nov. 12)

From: Villegas, Alejandro

Greetings CMC community,

The Open Academy invites you to join us for a Sunday Salon, *What Does it Mean to be a Nation?* **Click [here](#) to register.**

Join us for a conversation on nationalism and the politics of identity. What does it mean to be a nation? A nation-state? What are its political consequences? And can we reconcile nationalism with a pursuit for global justice?

For this event, the Open Academy will be hosting Dr. Daniel Boyarin, Hermann P. and Sophia Taubman Professor of Talmudic Culture at UC Berkeley, and Dr. Anoush Suni, postdoctoral research fellow at The Promise Armenian Institute at UCLA. We invite you to participate in this interactive, multi-disciplinary salon-style discussion.

The salon will take place on Sunday, November 12, from 3-5PM at (Kravis 367) followed by a catered dinner. We will email you to confirm your spot and will provide further details. We look forward to seeing you!

Participants will receive a copy of Daniel Boyarin's newest book
