Subject: EM: This Week at Keck Science - 11/6/23

From: Yount, Velda

THIS WEEK AT KECK SCIENCE

This is our weekly email to all students at our colleges (CMC, Pitzer, and Scripps) with information about Events, News, and Opportunities at Keck Science Department! We hope this increases access to opportunities and helps build community for students, faculty, and staff of the Keck Science Department.

In addition to this weekly email, we also have created a website detailing research at Keck and available student opportunities: sites.google.com/view/research-at-keck/

All community members (including student organizations) are welcome to submit an item for this weekly email to our form: <https://forms.gle/KxWDCnPoUJMOTEN8>.

THIS WEEK'S EVENTS

- **11/7 5C Chemistry Seminar.** Our next seminar, hosted by Keck, will take place on Tuesday from 11 am-12 pm in Burns Auditorium (B31). Our speaker will be Jeffrey Mills from US Space Force who will give a talk titled "The Spectral Theory of Chemical Binding and Quantum Interactions in Molecules." Hope to see you there! For more information, see <https://www.kecksci.claremont.edu/seminars/>.

- **11/10 Van Arnam lab open house.** Professor Ethan Van Arnam's lab will be holding an open house Friday, November 10, 2-3 PM, in Keck room 1. This will be a chance to find out about chemical ecology and antibiotic discovery research happening in the lab and learn about research opportunities for the spring and summer. More information about the lab can be found here: <https://sites.google.com/view/vanarnamlab>

THIS WEEK'S OPPORTUNITIES

- **Last Day to Apply to the Williams Lab!** The S. Williams lab is accepting applications for new members. Please fill out the application (<https://forms.gle/jhQ1nVcn6XShw4fV6>) by November 6th at 11:59 pm. If you have any questions, you can contact Professor Williams at sjwilliams@kecksci.claremont.edu. For more information, see <https://sites.google.com/view/williamslab/apply>

- **Yale Conservation Scholars Summer 2024 Accepting Applications.** Students with interests in the environment and ecology should check out the following opportunity: We are happy to announce that we are accepting applications for the Yale Conservation Scholars - Early Leadership Initiative! Please pass this announcement on to any students who might be interested. The application date is Monday, January 15th at 11:59 pm EST. Any questions can be directed to YCS-ELI@yale.edu.

- **Research @ Keck website is live!** Keck Science Department has created a centralized website where faculty can post research openings and basic information about their labs. The site is constantly being updated, and we hope that this will facilitate student opportunities in research. sites.google.com/view/research-at-keck/

THIS WEEK'S NEWS

- **Dr. Ahn Pan joins chemistry faculty!** Dr. Jia-Ahn Pan will join the department next academic year as an assistant professor of chemistry. Dr. Pan will teach a variety of chemistry courses and brings expertise in advanced nano-materials. We are excited to welcome him to Keck!
