THIS WEEK AT KECK SCIENCE

This is our weekly email to all students at our colleges (CMC, Pitzer, and Scripps) with information about Events, News, and Opportunities at Keck Science Department! We hope this increases access to opportunities and helps build community for students, faculty, and staff of the Keck Science Department. In addition to this weekly email, we also have created a website detailing research at Keck and available student opportunities: sites.google.com/view/research-at-keck/

All community members (including student organizations) are welcome to submit an item for this weekly email to our form: <https://forms.gle/KxWDCnPoUJMOTEN8>.
