What are the *Civitas Sessions*?

Civitas Sessions is an Athenaeum lunch series designed to build real-world civic skills and the knowledge needed to live thoughtful, productive lives as responsible community members and leaders. Each session will deliver practical knowledge and discuss the application of the subject matter to important current issues. With a welcoming 'come-as-you-are' atmosphere, the *Civitas* Sessions focus on **the stuff you need to know** before it becomes **the stuff I wish I had known**... Vernon C. Grigg III will be the host and moderator of the *Civitas Sessions*. Many will include a faculty member or subject matter expert to enrich the conversation.

We hope to see you there! If you have any questions, please direct them to Valerie Cubias at kravislab@cmc.edu.

Best,

The Kravis Lab
