Dear CMC Campus Community,

Please join us for the Kravis Lab End of the Year Celebration on Friday, April 26th!

Time: 5:30 pm

Location: Kravis Lab (Center Court Mod B.)

Please join us as we celebrate our collective and programmatic successes this year, highlighting our student-led CIVES and Student Connection programs.

Let's party before the year is out! Eat, drink, and dance to lively music provided by DJ J.D and DJ Timmi.

Completely casual, feel free to join us even if you can't spell K-Lab! We look forward to celebrating and having fun with you!

Best,  
The Kravis Lab team
