Subject: EM: VOICE LESSONS @ SCRIPPS THIS SEMESTER - FALL 2024

From: Diana Fortelny

Dear 5C student,
Welcome to voice lessons in person at Scripps!
We welcome all levels of singers to take voice lessons at Scripps, via an online audition process.
We specialize in vocal technique and repertoire study for musical theatre, opera, and art song.
We teach to total beginners and advanced performers alike.
All lessons are by audition ONLY.

All new singers to Scripps voice must complete the 3-STEP audition process before PERMing.

(If you PERM before your audition, your PERM will not be granted.)

3-STEP Online Voice Audition OPEN UNTIL: Friday, August 23, NOON'

(any auditions received after this will be accepted only if room allows)

Placement auditions for voice lessons are now open, and our informational video and audition upload links are found on this page:

<https://www.scrippscollege.edu/departments/music/voice-auditions>

Complete the audition video submission and information form after you know your class schedule. (or best guess for entering first-years)

The webform will ask you for your class schedule: we will schedule your lesson time according to your openings.

In the 5-minute informational video available via the webpage listed above, you will learn about auditions, and also about voice lesson offerings next semester.

Email me directly with any questions you might have after watching the video, and I will get right back to you.

See you at the auditions!

Prof. Anne Harley
