### **THIS WEEK AT THE NATURAL SCIENCES DEPARTMENT (NSD)**

This is our weekly email to all students at our colleges (Pitzer, Scripps, and CMC) with information about Events, News, and Opportunities at the Natural Sciences Department (formerly Keck Science)! We hope this increases access to opportunities and helps build community for students, faculty, and staff of the NatSci Department.

In addition to this weekly email, we also have created a website detailing research at Keck and available student opportunities: [sites.google.com/view/research-at-keck/](https://sites.google.com/view/research-at-keck/) All community members (including student organizations) are welcome to submit an item for this weekly email to our form: <https://forms.gle/ZsVtJUQ9JmrTjBxe7>.

### **THIS WEEK'S EVENTS**

**9/3: 5C Chemistry Seminar.** Our first 5C Chemistry Seminar will take place on Tuesday, September 3 from 11-12 in Drinkward Recital Hall on the Harvey Mudd campus. Please note that because of the location of this seminar, no food or drink will be allowed in the seminar room. Our speaker will be Elizabeth Neumann from the University of California, Davis. Prof. Neumann's title is "Multimodal Imaging Methods for Understanding Complex Biological Phenomena," and you can learn more about the work being done in the Neumann Lab at the following link: <https://chemistry.ucdavis.edu/people/elizabeth-neumann>.

### **THIS WEEK'S OPPORTUNITIES**

**Peer Mentorship Program!** WAMViS (Women and Minority Voices in STEM) is piloting a peer mentoring program for students interested in STEM! We are looking for both mentors and mentees to join this program, please fill out these forms or see the attached flyer: [Mentor Sign Ups](#)/[Mentee Sign Ups](#). Pre-Health students are welcome if they are interested in research but are encouraged to look at the mentorship available through the [Pre-Health Office](#).

If you have any questions or concerns about this weekly newsletter, please email Ysabel ([ydavid0601@scrippscollege.edu](mailto:ydavid0601@scrippscollege.edu))
