The  
**CIVITAS** SESSION  
at CMC Athenaeum

Join us for a lunch series featuring guest speakers who will provide timely, practical information to help you understand the institutions and systems at the center of many of the questions we face in modern life.

With a welcoming 'come-as-you-are' atmosphere, the *Civitas* Sessions focus on ***the stuff you need to know*** before it becomes ***the stuff I wish I had known...***

RSVP on the  
Ath website

FOR CIVIC LEADERSHIP  
CLAREMONT MCKENNA COLLEGE

Public education has long been a core responsibility of government and is considered critical to the flourishing of democracy. Increasingly other models of education have been coming to the fore. This talk will explain and help us better understand the emergence and implications of various alternative educational models like private schools, charter schools, and voucher programs on society and civic identity.

Remember to register on the Ath website to reserve your spot. Then, you can enjoy a delicious meal and engage in this insightful conversation.

\*The registration sign-ups are live, so be sure to secure your seat here:
