THIS WEEK AT THE DEPARTMENT OF NATURAL SCIENCES (DNS)

This is our weekly email to all students at our colleges (Pitzer, Scripps, and CMC) with information about Events, News, and Opportunities at the Department of Natural Sciences (formerly Keck Science)! We hope this increases access to opportunities and helps build community for students, faculty, and staff of the DNS.

In addition to this weekly email, we also have created a website detailing research at the DNS and available student opportunities: sites.google.com/view/research-at-keck/.

All community members (including student organizations) are welcome to submit an item for this weekly email to our form: <https://forms.gle/ZsVtJUQ9JmrTJBxe7>.
