THIS WEEK AT THE DEPARTMENT OF NATURAL SCIENCES (DNS)

This is our weekly email to all students at our colleges (Pitzer, Scripps, and CMC) with information about Events, News, and Opportunities at the Department of Natural Sciences (formerly Keck Science)! We hope this increases access to opportunities and helps build community for students, faculty, and staff of the DNS.

In addition to this weekly email, we also have created a website detailing research at the DNS and available student opportunities: <https://sites.google.com/view/research-at-dns>

All community members (including student organizations) are welcome to submit an item for this weekly email to our form: <https://forms.gle/ZsVtJUQ9JmrTjBxe7>.

THIS WEEK'S EVENTS

10/24: CV/Resume Review for Science Students. Stop by the Nucleus East ground-floor courtyard on Thurs, Oct 24 between 12-2pm to get your CV or resume reviewed by staff and faculty from the Career Service Offices and the Department of Natural Sciences. A CV or resume is an essential part of applications for summer internships, jobs, graduate school, medical school, and other opportunities. No appointment needed, wait time will be minimal, and you can bring your CV/resume on your laptop or as a print-out. Please email Professor Elise Ferree (eferree@natsci.claremont.edu) with questions.

THIS WEEK'S OPPORTUNITIES

Leconte Lab seeks a current senior interested in gap year research position. The Leconte Lab is currently recruiting for a paid, full-time research assistant for the 2025-2026 school year. The researcher will perform experimental work on an ongoing biomedical research project as well as help write papers and grants on the project. **The application is posted online and is due 11/8.** Learn more here: <https://sites.google.com/view/lecontegroup/apply/postbaccalaureate-research-assistant-2025-2026>.

If you have any questions or concerns about this weekly newsletter, please email Ysabel (ydavid0601@scrippscollege.edu).
