Dear 7C Community,

You are formally invited to **PZ Talks** this Spring! 🌻

On **February 27th** from **4-5pm**, join us in **Broad Performance Space** to watch two of your fellow Pitzer peers, **Gabriel Bartoli (class of '26)** and **Nurlan Gnadinger (class of '25)** deliver their very own TED Talks about their passions and motivational stories!

This event is open to the entire 7C community including students, alumni, faculty, and staff. The two TED Talks will be followed by a time to socialize, Q+A for the speakers, and a perfect **opportunity to network & bond over Portos**, which will be provided. Please [RSVP on Engage](#) by scanning the QR code in the flyer below!

Don't miss this chance to watch as passion and inspiration flow through our community and bring us together at a time we need it most.
