Greetings,

You are cordially invited to this year's International Festival: The World Meets at 7C, organized by the 7C International Student Community Programs Council (ISCPC) and hosted on our campus.

We are excited to share that we have over 30 countries/regions represented in this year's festival which include booths with food and games, dance performances, and a parade of traditional clothing. Additionally, we welcome Colombia Latin Soul to play live music throughout the event. We hope you all can make it to enjoy the activities we have planned.

Event Details:

Date: Saturday, February 22nd, 2025

Location: Flamson Plaza, Claremont McKenna Campus

Time: 12-3pm

If it rains on the day of the event, then we will move the celebration over to the McKenna Auditorium. We invite you to keep up with any event updates by registering on the Engage event page, www.tinyurl.com/7CFestival.

If you have any questions, you can contact me at taimills@cmc.edu. We look forward to seeing you at the international festival!

Thank you.
