Subject: EM: HMC Summer Session 2025

On Behalf Of HMC Summer Session

Dear Community Members,

We are pleased to announce the [2025 HMC Summer Session course offerings](#). These include a variety of remote and in-person 3-week and 6-week courses in the fields of Computer Science, Math, Engineering, Physics, Humanities, Social Sciences, and the Arts. All courses earn HMC academic credit and, for HMC degree-seeking students, are applicable toward degree requirements. Visiting students wishing to transfer summer session credits to their home institution are encouraged to confer with their advisor(s) to determine how the credits will satisfy their home school's degree requirements. Tuition is \$4,250 for each 3-credit course and \$1425 for each 1-credit course.

Registration begins Monday March 24, 2025.

Additional information is available on the [HMC Summer Session website](#). Send inquiries to summersession@g.hmc.edu.
