Teal Dot Basics is an in-person, 90-minute Bystander Engagement Training. It is a crucial 7C program designed to reduce sexual assault, dating/domestic violence, and stalking on campus. Preventing violence on campus takes a community effort and we are all stakeholders in this issue. Will you join us as we build a community of care at The Claremont Colleges? The training will equip students to recognize potentially dangerous situations and safely intervene

to prevent violence. **Please join us to learn, to create meaningful bracelets as keepsakes as you engage, and for a chance to win a gift card to Bert and Rocky's in the Claremont Village!** Please note that all Teal Dot Basics trainings are open to the 7C community.
