The Pitzer Senior art majors invite you to embrace pivotal moments of change at this year's thesis exhibition: ***MOLT***, opening **Friday May 2nd at 5:00pm**.

This year's thesis exhibition, *MOLT*, features thirteen students exploring transformation, identity, process, memory, play, the body, and the environment. Material is transmuted into meaning in forms that will engage assumptions, deconstruct prior knowledge, and construct new worlds.

Join us as we explore this transitory stage of life, honoring our pasts while forging a brighter future.

The **Opening Reception** will be held on the **Clock Tower lawn**, where food and drinks will be served. Guests can pick up brochures and maps, guiding them through four different gallery spaces to experience the full exhibition.

**Featured Artists:** Dylan Cleverly, Fia Powers, Maud Etheridge, Cameron Macdonald, Soeun Moon, Mila Stribling, Eleanor Chang-Stucki, Mazzy Rosenast, Jasper Summers, Daniel Lewis, Luke Robinson, Amalinalli Martinez-Hahn, and India Reinhardt.

**Exhibition Dates:** May 2 – 17, 2025

**Gallery Hours:** Tuesday – Saturday, 12 – 5 PM
