**DEPARTMENT of NATURAL SCIENCE
NEUROSCIENCE
MAJOR
ADVISING MEETING**

Wednesday, October 22, 2025

5:30 PM

Via Zoom

If you are a student who would like to major neuroscience through the Department of Natural Science Neuroscience Program or are a current major but are wondering which courses to take in order to fulfill the requirements of the major then this meeting is for you. In this meeting we will go over the basic requirements of the neuroscience major including core courses and course options, and possible course selections for students interested in cognitive neuroscience, behavioral neuroscience, cellular-molecular neuroscience/neuropharmacology, neurophilosophy or computational neuroscience. We will also go over the general requirements for the senior thesis in neuroscience, how to choose a thesis reader, finding an advisor etc. All are welcome to attend.
