Dear CMC Students,

I'm writing with an invitation, on behalf of the Claremont Continental Philosophy and Critical Theory network. The point of the group is to make space for interdisciplinary study and discussion of continental philosophy and critical theory.

We are having our second bi-annual student pizza gathering, timed to fit registration, on Oct 28th at 6pm. (at Dom's Lounge, downstairs, Smith Campus Center, Pomona). There you can meet profs from all the campuses and many different disciplines – Philosophy, Media Studies, English, etc. - who teach in our areas, and ask them about their newly announced S26 courses.

This info is also at ccpct.net - and it is very helpful if you could RSVP there, so that we know how much food and drink to buy.

You can sign up for our email list at ccpct.net or follow us on [Instragram](#).

Best,
