From: Tom Borowski

Students and faculty are welcome!

HIVEMIND: A Mind Sciences Mixer
Monday, November 3, 2025
5-7pm @ The Hive

Beyond excited to officially announce this collaboration between the Psychological Science, Linguistics and Cognitive Science, and Neuroscience departments here at Pomona College!

Hosted at The Hive to cultivate collaboration, creativity, and connection across disciplines and across campuses within the Mind Sciences. A chance for students and faculty of the 7C's to get together and feed the ***hivemind***

Food + Bev

- Tacos + tamales catered by The Taco Lady
- Delicious fall-themed desserts: pies + cookies
- Hot tea + cocoa bar, horchata and soda

Activities

- Cognitive psych card games presented by psych student liaisons
- Cross-pollination bingo by lingcogsci student liaisons
- Monism vs. dualism whiteboard debate by neuro student liaisons
- Research-inspired “Stoke”, button-making, and immaculate vibes by The Hive
- Career + grad school conversation corner
- Hivemind spotify jam
