Subject: EM: NEW CMC Conversations podcast episode: Professor Albert Park

From: CMC Social Media

The CMC Conversations podcast returns!

This season, we are featuring some of our CMC faculty experts who are discussing, teaching, and researching contemporary challenges and working towards solutions.

Tune in to the latest episode of CMC Conversations as Professor Albert Park joins Natalie Chen '26 to discuss environmental activism and sustainability. Professor Park shares his views on responsibility as a professor and on research work, including with EnviroLab, international clinic trips, and classroom engagement.
