**Subject:** EM: Celebrate International Education Week at CMC, Nov 17-21!

**From:** Mills, Taivna

**Dear CMC community,**

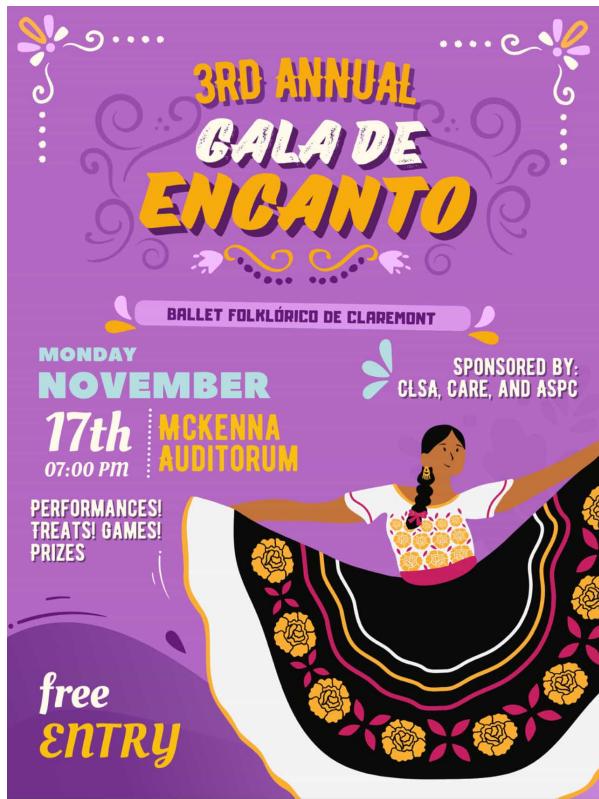

We hope this message finds you well!

**November 17–21 is International Education Week (IEW)** — a time to celebrate the benefits of international education and exchange around the world. This joint initiative of the U.S. Department of State and the U.S. Department of Education promotes programs that prepare Americans for a global environment and welcomes future leaders from abroad to study, learn, and share their experiences. It's an incredible opportunity to honor and celebrate our international community of students, staff and faculty members and highlight CMC's ongoing commitment to enriching international education and fostering a vibrant global community.

Below is the list of events happening at **CMC, across the 5Cs, and the 7Cs** during IEW. We hope you'll join us in celebrating global learning and community!

---
