Subject: EM: Environmental Professional Pathways Speaker Series #3 - Feb 10 Lunch

From: Miller, Kristin

Dear Students & Environmental Community--

The REC is hosting Eli Etzioni, CMC '18, as a guest in our Professional Pathways speaker series on **Tuesday, Feb 10 at 12:15pm** (Kravis 100, CMC). Eli is Senior Market Development Manager at Tradewater, producer of high-integrity carbon credits.

It'll be an informal discussion and a great opportunity to learn more about early career pathways in sustainability.

You are welcome to box out of a dining hall and bring your lunch. Please fill out this [form](#) to RSVP.

Hope to see you!

Kristin
