Subject: EM: Transportation Accessibility Survey Raffle: LA Metro UPass Program

From: Miller, Kristin

Hello everyone!

This semester, ASPC's Sustainable Development Committee has joined forces with the Claremont Urbanists to form the 7C Transportation Working Group, aimed at bringing LA Metro's UPass program to the Claremont Colleges. Through this program, all 7C students would gain access to the **LA Metro** and nine other participating public transit agencies for **free!** After meeting with Stephanie Blaisdell, the VP of Student Affairs for the Claremont Colleges, we now need **your input** to get a better idea of anticipated student ridership for the program across the Claremont Colleges.

The survey will close on **April 17th**, with winners randomly selected by the last week of April. It only takes 3 minutes - this could be the easiest money you'll make this semester! :) <https://forms.gle/9GJTwwGrBjDb4ojC6>

Sincerely,
7C Transportation Working Group
