Hi CMC Community!

Hope you are doing well! We want to invite you to attend **The 7C Psychology Conference** on **Friday, 4/17, from 10:00 am - 4:30 pm**

This conference will share student research in the psychological, behavioural, and brain sciences from around the 7 Claremont Colleges. We'll have a mix of posters, oral presentations, data blitzes and a keynote speech from Professor [Wei-Ching Hwang](#) from CMC on the importance of culture to psychology and his career.

It's shaping up to be a fun event! The conference is a great way to learn about different kinds of psychology research around Claremont and support your friends and peers who will be presenting. Lunch, coffee, and snacks will be provided at no charge.

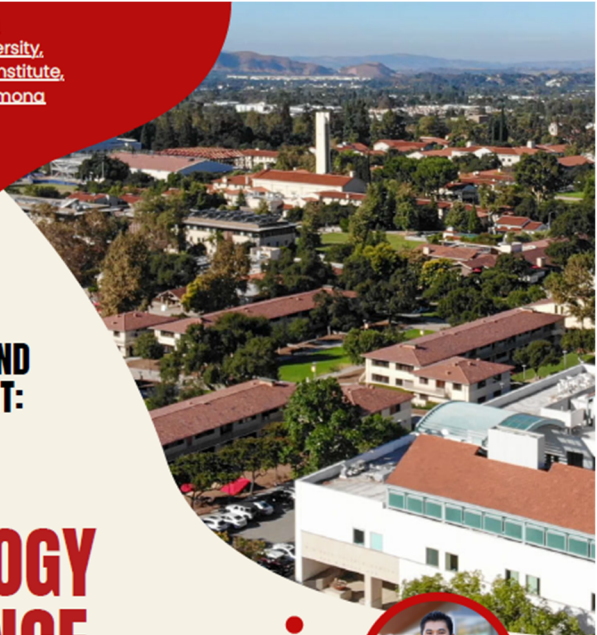

See the detailed program attached to this email. (For the most up-to-date program, please view this [link](#)).

You can RSVP at this [link](#). If you register to attend, you'll be entered in a raffle to win a surprise gift :)

We look forward to seeing you there!
