Hi everyone,

We hope you're having a great start to the school year!
We are SEED, a 5C club dedicated to connecting the environmental groups and activists of the Claremont Colleges. Our aim is to foster cross-campus collaboration and support impactful student action.

We are excited to invite you to the first 5C Environmental Leaders Forum of the year, a monthly meeting where campus leaders can get to know each other, discuss current projects, lend brain power and capacity, and engage in collaborations to effectively achieve our goals. We'll provide snacks, you'll provide meaningful discourse.

The forum will be on **Friday Sept 25th from 3-4pm in Kravis 321** (google maps link [here](#)).

Looking forward to seeing you on Friday. We will be sending out a recap afterwards for anyone who can't make it.

Thank you,
SEED (Ulwiana, Amanda, Austin, Renia, Hanwen)

P.S. Please join [this GroupMe](#) to stay connected to other environmental leaders and projects.
