Join us Friday for a Student Forum on Financial Aid and Admissions.

🗓️ Friday, November 6, 1 - 2 pm
📍 Where: Freeberg Forum (LC 62)

A smaller share of CMC students are receiving need-based financial aid than at any time in the last ten years, according to a recent TSL article.

Financial aid shapes who gets to be here and what college feels like once you are. Come to our student forum Friday at 1 pm to hear from students, faculty, and administrators, share your story, and put your questions to the panel. Let's work on this together.
